## **Representative Hutton's Statement on State of the State Address**

[Madison, Wis.] – Today, Rep. Hutton (R-Brookfield) issued the following statement regarding Governor Walker's State of the State Address.

"Last night, the Governor laid out his vision for Wisconsin. Many of those issues are of utmost importance to me and to those in my Assembly district. I look forward to decreasing property taxes further, reforming state agencies, and ensuring that every child has access to a quality education. These issues affect each and every community here in Wisconsin."

"As we pursue these matters, we will be building on all that was accomplished last session. In the last Legislative session, we reduced income and property taxes, passed legislation to help connect employers with job seekers, expanded school choice, and helped enact a number of important initiatives that address the growing use of heroin."

"Much was accomplished last session, and I look forward, on behalf of all those in the 13<sup>th</sup> Assembly District, to working with my colleagues as we move our great state forward."
